## **Kerry's Art 2011 Summer Camp Program**

*I have often been asked, "Are you the one that teaches oil painting in McKinley Park Rose Garden where the kids are all lined up in a row?"*

*"That's me!" I tell them.*

*I've been teaching my oil painting class in the parks since 1988. When I thought about it, my students have produced well over 3000 paintings since I began! My favorite memories are seeing how proud they are when they complete their painting. With proper instruction anyone can accomplish anything!*
