Magical Motion! — Design and build your very own mechanical 3-D sculpture that spins! You'll use liquid metals markers to make your design sparkle. Each wheel will have it's own unique design. When you pull on the string the wheels spin like magic! This is Kinetic art you can play with that is beautiful.

Fee \$ 195—includes all supplies. *Five lessons*

Summer Art Camp flier will be out in Feb. 2012! Visit www.kerryvandyke.com or call 916.455.8994 to receive the summer program via e-mail. Become a FAN at [Kerry's Art](#) on [Facebook!](#)

Paint "Skins" 7 week class!

Ever see swirled paint left on the pallet? When acrylic paint dries it creates a flexible skin. You'll make your own swirled paint skins that can be cut and even sewn to create colorful collages and mosaics! These skins can also be turned into jewelry! It's a fun new project that I'm excited to share. Fee \$260 (or \$130 per month) Includes Metallic Paints along with lots of other colors!
